

TRUSTEES OF THE STOKE CLIMSLAND COMMUNITY PROJECT

The trustees share responsibilities for different aspects of the operation of The Old School. The following is the list of the individual trustees and their contact details. Some trustees lead sub-groups that deal with particular aspects. The first name (underlined) is the trustee who should be the first point of contact about any particular issue. The other names (some of whom are volunteers and not trustees) are the members of the sub-groups, where these exist.
